Dear Parents,

Greetings from Ryan International School, Kondapur!

*This World Tourism Day 2023, the UNWTO, under the theme "Tourism and green investment" highlights the need for more and better-targeted investments for the Sustainable Development Goals, the UN roadmap for a better world by 2030. Now is the time for new and innovative solutions, not just traditional investments that promote and underpin economic growth and productivity.*

*To raise awareness on the role of tourism within the international community and to demonstrate how it affects social, cultural, political and economic values worldwide, we are conducting some fun-filled activities for our students on the 27<sup>th</sup> September 2023.*
