

Circular No. RISK/ACAD/05/AY 2024-25

Dear Parents,
Greetings from Ryan International School!

The colour red has many meanings and associations, although these may vary depending on the individual and the culture in which they live. Some of the main associations often connected to the colour red include Intense emotions, anger, sacrifice, danger and love.

Red Colour Day
(Friday, 28th June 2024)

Red Day - ONLY FOR MONT	
<p>Red represents power and courage. Red's association with courage and bravery. The color red is a highly visible color that is able to focus attention quickly and get people to make quick decisions, which is one of the reasons fire trucks and fire engines are usually painted red. Red represents physical energy, passion, and desire. It symbolizes action, confidence, and courage. Red is often associated with the fortieth wedding anniversary, as the red ruby is the traditional fortieth wedding anniversary gift.</p>	
Sections	Speaking/Writing/Drawing/Craft Competitions
Mont I	<p>Drawing Competition - Draw a strawberry with hand print for red and thumb for green top.</p> 
Mont II	<p>Make a delicious watermelon slice using torn paper of red and green with black dots for the seeds.</p> 
Mont III	<p>Activity Make a delicious cherries by folding the paper.</p> 

Note: Activity will be conducted on Friday 28th June, 2024 in respective classes. You are requested to send a red colour object with your ward. You may send your child dressed in red coloured outfit. The objective is to help the child to identify the colour and speak something about red coloured object.

Regards,
Kiranmai Allu
