Dear Parents

Calling all green thumbs from the Green Brigade at Ryan International Academy, Bavdhan!

In honour of Environment Day on June 5, 2024- Wednesday, we're hosting a school-wide tree planting activity!

Students from Mont I – Grade V and Grades IX & X: We invite you to participate by bringing a sapling of either **Hibiscus** or **Bougainvillea (pink or white)** to plant on school grounds.

Become a plant hero by bringing a sapling of either a **Hibiscus** or a **Bougainvillea** (pink or white) to school.

Why these leafy recruits only?

- **Hibiscus:** These flowering champions thrive in our climate, attracting beautiful butterflies with their vibrant blooms.
- **Bougainvillea:** Let's not go by our delicate looks! Bougainvilleas are tough survivors, adding a splash of colour with their stunning bracts (those colourful papery parts around the tiny flowers).

By working together, we'll be creating a vibrant habitat for pollinators, cleaning our air, and beautifying our school. It's a chance to witness the magic of nature first-hand and leave a lasting legacy for future students.

So, are you ready to join the Sprout Squad and be a plant hero?

Let's celebrate Environment Day by making our schoolyard a place where nature thrives!

Warm regards,

Sincerely,

For Ryan International Academy, Bavdhan, Pune

Ruchi Masih

Principal
