

The Secretary
Central Board of Secondary Education

Subject: Clarification Regarding School Name for CBSE Affiliation

Dear Sir/Madam,

I am writing to clarify the discrepancy in the name of our school in relation to our application for CBSE affiliation. Our institution has been known as **Ryan International School** for the past 48 years, establishing a reputation for excellence in education both nationally and internationally.

However, due to the regulations set forth by the Telangana state government, specifically the Government Order (G.O. Ms. No. 91, Edn., dated 06.08.2009), and the subsequent proceedings (Rc.No.780/B1-1/2013, dated 16.05.2013), we have been required to register our first branch in Hyderabad, Telangana, as Ryan School within the state. This G.O. mandates the removal of "attractive" words from school names, including terms like "International". We applied for permission under the name Ryan International School; however, due to the Government Order (G.O), the permission was granted as Ryan School only.

The change in the registered name is solely for compliance with state regulations and does not reflect any alteration in our institution's mission or the quality of education we provide. Ryan International School continues to operate with the same standards and values that have characterized our operations for decades.

We are currently seeking CBSE affiliation under our long-standing name, **Ryan International School**, to maintain consistency with our identity and recognition at both national and international levels. We assure you that our educational offerings align with CBSE's standards and are committed to upholding the board's values.

We kindly request that the CBSE board consider this explanation and allow us to proceed with the affiliation process under the name **Ryan International School**. We are eager to contribute positively to the academic landscape under your esteemed board.

Thank you for your attention to this matter. Please feel free to contact me if further information or documentation is required.

Yours sincerely,

PROCEEDINGS OF THE COMMISSIONER AND DIRECTOR OF SCHOOL
EDUCATION ANDHRA PRADESH : : HYDERABAD

Rc.No.780/B1-1/2013

Dt:16.05.2013

Sub:- School Education – Private recognised schools in the State --
deletion of attractive words from the School name – certain
instructions – issued.

Read:- 1. G.O.Ms. No. 91, Edn., dated 06.08.2009.
2. This office proc. Rc.No.780/B1-1/2013, dated 01.04.2013 &
09.04.2013

The attention of all the Regional Joint Directors of School Education and District Educational Officers in the State are informed that, some of the private recognised schools are having the attractive words in the school name and some of them are also luring them with attractive names such as IIT / Olympiad / Concept / e-techno / e-shastra / Convent / public and collecting exorbitant fees. In spite of clear Government orders in G.O.Ms.No.91, Edn., dated 06.08.2009 at rule 8 that "Private Management shall not put names of schools such as IIT Olympiad / Concept / e-techno / e-shastra" etc. are being used which is highly regrettable.

Therefore, all the Regional Joint Directors of School Education and District Educational Officers in the State are instructed to take necessary immediate action to delete the attractive words in the school names and display the boards accordingly. The inspecting officers, District Educational Officers and Regional Joint Directors of School Education are held responsible to implement these orders strictly. Any deviation in the matter will be viewed seriously and officers concerned will be personally held responsible.

This has the approval of the Commissioner & Director of School Education, Andhra Pradesh, Hyderabad.
